

## Environmental Policy

As a leading international Wind Turbine Erection Specialist and crane-hire contractor Windhoist Ireland Ltd, Dan McNally Ltd, Windhoist Ltd, Windhoist Australia PTY Ltd, Windhoist ZA PTY Ltd, Windhoist Maroc S.A.R.L. AU and Forsyth of Denny Ltd, are committed to protect the environment from the adverse impacts of its business activities in our offices and on all our sites including client Wind Farm sites.

The company has implemented and maintains an Environmental Management System in line with BS EN ISO 14001:2015.

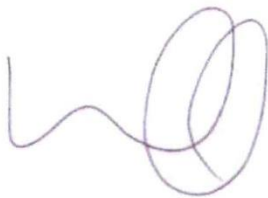

Compliance to this international standard demonstrates our commitment to the following measures in order to ensure that:

- environmental impacts resulting from past, present and future operations are effectively managed;
- ongoing compliance is maintained with environmental legislation and regulations and other related requirements subscribed to by the Company;
- environmental protection is achieved, including the prevention of pollution;
- continual improvement in environmental performance is achieved and maintained.

We acknowledge that these aims can only be achieved through a planned and coordinated approach to environmental management.

This policy provides a framework to establish, communicate and review objectives, targets, procedures and controls.

This policy is subject to annual review and is communicated and to all persons, suppliers and contractors working for and on behalf of the Company.

**Hugh McNally:**  
Director
